# Development Action Awareness Nationwide

We are a non-profit grassroots organization working to educate rural youth in Udaipur, Rajasthan, India. Our centers provide supplemental education in academics, hygiene, nutrition, and environmental and personal responsibility. Through cooperative, compassionate, and community-based efforts, we promote socio-economic development and gender-based equality. With love, understanding and positivity, we are unlocking potential and building a brighter future one lesson, one day, one child at a time.

## OUR VISION

an equal and just society - no boundaries just balance - where the vulnerable and marginalized sections of the society effectively participate in the development process leading to control over their resources

# Join DAAN in bridging the gaps in equality

## Volunteer

Teach, garden, cook at our centers; market online or on the ground

## Donate

Cash or materials for our libraries, laptop program, school supplies
